

PayData of Kentucky, Inc. Direct Deposit Agreement

Paydata of Kentucky, Inc. is pleased to offer you a new payday convenience -- *Direct Deposit*. Now you can have your paycheck automatically deposited into your checking or savings account on payday. Direct Deposit is safe, convenient and easy. You do not even have to change your present banking relationship.

The first payday after setup you will receive an actual check and your accounts will be verified through the Direct Deposit System. After account approvals, on payday, you'll receive a direct deposit voucher showing gross pay, taxes, other deductions and net pay and your money will be deposited into your accounts. The amount of the deposits will appear on your bank statements as well.

Please fill out the below form, sign and attach a voided check for each account listed. No deposit slips please.
